

PARK AVENUE PRIVILEGES

Luxurious Benefits suited for the NYC Lifestyle

At Loews Regency Hotel, our goal is to make traveling for business or pleasure as simple and hassle-free as possible. With the introduction of our Park Avenue Privileges Program, we offer an array of complimentary benefits and amenities to all our guests, with select services available to specific room types.

Every guest benefits from Park Avenue Privileges with complimentary Wi-Fi, fitness center access, shoe shine, newspaper, long-term luggage storage for frequent guests (Wrinkle Free Travel) and discounted two-hour pressing (Pressed for Time).

To make getting around the city simpler, we have two options available to all guests: a Mercedes S 550 house car will drop you at any destination within a 20 block radius (available on a first come, first served basis), or use of one of our two FIAT 500L cars for transfers anywhere in Manhattan (you may book your ride with the FIAT ambassador in the lobby.)

We also offer turndown service to all guests upon request. This includes complimentary bottled water and delicious cookies from our partners at Sant Ambroeus.

Additional benefits are available should you choose to upgrade your room as follows:

Avenue King or Grand King/Double:

Receive all of the above and complimentary Premium Plus Wi-Fi, which allows you to stream movies or TV on your computer or tablet. We will also guarantee turndown at a time of your choosing.

Executive or Grand Executive Suites:

Receive all of the above and two pressed garments complimentary.

Manhattan, Park Avenue, Terrace/Atrium or Signature Suites:

Receive all of the above along with the chance to have whatever you choose from the minibar on us*.
