# BODY

**Sedona Sacred Ritual** \$190

Our signature desert ritual to revitalize body and mind with the scents of the Southwest. Your treatment begins with an invigorating and exfoliating desert salt body polish that softens and cleanses the skin. Warm red clay from Sedona is smoothed on and you are wrapped in a cocoon to encourage remineralization. Purifying smoke of white sage wafts throughout the room as you drift and relax. Enjoy the face, neck, and scalp massage given with restorative Desert Dew facial serum, a unique and protective blend of eleven plant extracts and desert essences, including lavender and chaparral. Finished with a full body application of cedarwood citrus lotion leaving your skin hydrated and soothed and your mind calmed.

**Aloe Vera and Blue Corn Healer** \$140

Blue corn, an important crop of the Native American peoples of the Southwest, is blended with desert salt and healing aloe vera and jojoba oil, and used to purify and exfoliate the skin. A moisturizing lotion rich in plant extracts to combat environmental damage and stress is applied, and you are enveloped in a warming wrap. Finished with a relaxing face, neck, and scalp massage to soothe the mind as well as the body.

**Desert Salt Body Polish** \$80

Renew skin's suppleness with this invigorating polish. A customized blend of desert salts, desert-harvested jojoba oil, and native sage exfoliates to reveal soft and radiant skin. A quick skin pick-me-up, or a perfect treatment to add before a massage.

**Sonoran Desert Rehydration** \$145

Native prickly pear extracts and the fruity scents of citrus and wild tansy are combined in this mood-lifting treatment that gently nourishes dry and sensitive skin. Start with a hydrating sugar and jojoba oil scrub infused with anti-inflammatory prickly pear. A deeply moisturizing formulation of shea butter, jojoba, avocado, and anti-oxidant grape seed oils is applied and you are wrapped to encourage absorption. Finished with a relaxing face, neck, and scalp massage, you are left feeling re-energized head to toe.

**Heart Full Body Glaze** \$145

Nourish the 4th chakra, your heart, with this luxurious skin polish and warm wrap. Skin is cleansed with a gentle cane sugar and jojoba bead scrub infused with the essential oils of rose, geranium and sandalwood. A nourishing and anti-inflammatory rose and geranium lotion is smoothed on and you are wrapped in layers, while your face, neck, and scalp are given a relaxing massage. Your skin is left feeling supple and rejuvenated, your heart full.

**Desert Herbal Cocoon Wrap** \$120

This tension relieving heat treatment begins with dry body brushing, an Ayurvedic technique designed to encourage lymph movement and improve circulation. Your skin is massaged with a healing sage and mountain arnica body oil to help soothe joint and muscle pain and ease discomfort. Finally your body is wrapped in hot linens steeped in herbal infusions to create a detoxifying cocoon. Relax with face, neck, and scalp massage as stress and tension melt away.
